BINGO INFORMATION

These are your bingo dates for this season

Fundraising with bingos is extremely important in sustaining this Club. For each and every date that our Club has a bingo to work we MUST provide the correct amount of people in order to run the hall. We make most of our ice rental payments from funds raised through bingos which in turn keeps your registration fees low.

You will receive a reminder by e-mail a few days prior to the date assigned to you.

It is then your responsibility to show up at the bingo hall on time and ready to work until the end of the night, approximate times are 5:15pm until 10.00pm. **This is regarded as a workplace if you are unable to fulfill the date you have been given please send a replacement person in your place or your cheque will be cashed.**

No exceptions.

Thanks for your support
